SKILL BY SKILL

COMPREHENSION PRACTICE

- ▶ Are your students having trouble *reading for details* and then determining the *main idea*?
- ▶ Do they need practice with *vocabulary* and *sequence*?

Capture and hold the attention of reluctant or struggling readers with these short, easy-to-read paragraphs chock full of interesting facts and information on a wide variety of subjects. It is amazing how many comprehension skills can be found in just a few sentences!

Each paragraph is followed by several questions. Each question focuses on a specific comprehension skill, including:

main idea • details • locating the answer • conclusion • sequence
• cause and effect • vocabulary • inference • and more

▶ Great Activities For:

- Assessment & Remediation
- Daily Enrichment & Review
- Students with Short Attention Spans
- Inclusion
- ESL Students
- Students Reading Below Grade Level
