

Feasting on Fast Food

The four Smith children went to the Golden Burger for lunch. To find out what each child ordered, read the description of the Smith children and the clues below. Use the information to complete the solving chart. As you find out which meal does not apply to a child, put an "X" in that box. When only one box in a row (horizontally or vertically) is left blank, shade in that box. The shaded box will show what each child ordered for lunch.

THE SMITH CHILDREN:

Sally, age 17, blonde hair

Burt, age 14, brown hair

Joe, age 12, red hair

Nicky, age 9, blonde hair

	 Burger & Fries	 Double Burger	 Chili Dog	 Fish & Fries
Nicky				
Burt				
Sally				
Joe				

THE CLUES:

1. The youngest Smith child does not like fries.
2. One of the blonde-haired children had fries for lunch.
3. Joe shared his fries with Burt.
4. Sally doesn't eat red meat.
5. The brown-haired Smith child had the same kind of sandwich as Joe, only this sandwich was bigger.

On the lines below, write what each child ordered for lunch.

Nicky: _____

Burt: _____

Sally: _____

Joe: _____

Gift Exchange

The four Spencer cousins drew names to exchange gifts at Christmas. To find out what each cousin received as a gift, read the description and the clues below. Use the information to complete the solving chart. As you find which gift does not apply to a person, put an "X" in that box. When only one box (horizontally or vertically) is left blank, shade that box. The shaded boxes will show what each cousin received as a gift.

THE COUSINS AND THE NAME EACH ONE DREW:

- Sid drew Fran's name.
- Fran drew Edith's name.
- Edith drew George's name.
- George drew Sid's name.

	 book	 record	 socks	 candy
Sid				
Fran				
Edith				
George				

THE CLUES:

1. Sid did not give candy or socks as a gift.
2. Neither George nor Sid gave a book as a gift.
3. Neither girl gave candy as a gift.
4. Edith gave a book as a gift.
